Concepts of Nursing Practice in

- * A total of 36 credits of by-pass credits upon successful completion
- A) Excluding CHM 121, these courses can be taken before, during, or after a student is admitted into the SSC Nursing program, or once a student starts taking coursework at UA
- B) CHM 121 General, Organic & Biochemistry is a required pre-admission course for admission in the RWBSN program at UA

This Transfer Pathway represents one example of how to complete an associate and bachelor degree. Students should work closely with advisors at both institutions to discuss options. Students should work with a Stark State advisor to identify ADN requirements. Don Canary canary@uakron.edu can also assist students with developing a graduation plan for full- or part-time study for your RN/BSN degree through The University of Akron.

A minimum of 120 semester credits (combined Stark State and The University of Akron).

Complete a minimum of 30 credits at The University of Akron to meet all residency requirements (this total does NOT include by-pass credit)

Required General Education (Gen Ed) requirements:

PHL 122 - Ethics (Course fulfills a Humanities and the Critical Thinking UA Gen Ed requirement)
